

SEMI- ANNUAL REVIEW OF THE FTSE4GOOD INDICES

SEPTEMBER 2011

This paper provides the details of the September 2011 FTSE4Good Semi-Annual index review. The FTSE4Good Policy Committee has approved all constituent changes.

1. INCLUSIONS

22 companies will be added to the FTSE4Good Index Series at this review. The table below shows the nationality of these companies. Countries with the highest number of additions at this review include nine US and four Australian companies. See Appendix 1 for the list of new FTSE4Good Index Constituents.

Country	New to meeting criteria	New to universe
Australia	3	1
France	2	
Japan	2	
Portugal	1	
Sweden	1	
UK	3	
USA	6	3
TOTAL	18	4

2. DELETIONS

Four companies will be removed from the FTSE4Good Index Series (see sections 2.1 - 2.2 for details) at this review. Appendix 2 lists all the deleted companies and the reasons.

The FTSE4Good inclusion criteria evolve over time, demanding continued improvement in environmental and social practices in order to gain or maintain inclusion in the index. FTSE's in-house Responsible Investment Unit undertakes an extensive global engagement programme with all FTSE4Good companies affected by new criteria requirements. Companies are made aware of the deadlines and what steps they have to take.

2.1 The following three companies have been deleted from the index for not meeting the FTSE4Good Human & Labour Rights Criteria

JC Decaux
A2A
3M Company

2.2 The following one company has been deleted from the index for not meeting the FTSE4Good Breast Milk Substitutes Marketing Criteria

Pfizer
