## INDEX SPECIFICATION

---

### INDEX DESCRIPTION

The FTSE Environmental Opportunities Index Series has been designed to provide investors with a benchmark consisting companies who have a significant involvement in environmental technologies and therefore offers an environmental exposure opportunity to investors. The series provides an opportunity to access the different segments of the environmental market with separate indices covering:

- Waste and Pollution Control,
- Water Technology,
- Energy Efficiency,
- Renewable and Alternative Energy

It is a global index series that aims to include all constituents of the FTSE Global Equities Index Series that have more than 20% of their business in the development and operation of environmental technologies.
